2023 ANNUAL  
IMPACT REPORT

# 2023

## COME SEE WHAT GOD HAS DONE!

-PSALM 66:5

RADIO • DIGITAL MEDIA • HEALTHCARE • COMMUNITY DEVELOPMENT

Dear friend,

As we look back at 2023, we give thanks to God for what He has done. I am reminded of how Jesus described the Kingdom of God as being like a mustard seed that grows into the largest of plants. God takes all our gifts, prayers, and efforts, and then greatly multiplies them to build His kingdom.

This report can only provide a glimpse of what God is doing. We rejoice at how God is using our people and our ministry partners to faithfully proclaim and demonstrate the Gospel each day. We praise God for opening doors for us to help believers launch new local radio stations, medical ministries, and community development projects. We celebrate how God is using our people to equip and empower national believers so they can more effectively share Jesus and bring hope to their communities.

Our greatest joy is in hearing about some of the unreached people who have accepted Jesus as their Savior. We know that God is at work in many more people's lives than we will ever know or be able to count.

Thank you for your prayers, financial gifts, and partnership to share the Good News of Jesus in all the world. May you be filled with joy as you walk with Him today.

### OUR VISION

To see unreached people transformed in Christ

### OUR MISSION

Serving as the voice and hands of Jesus, we declare and demonstrate Jesus Christ through media, healthcare, and community development.

### ABOUT US

Reach Beyond began in 1931 in Quito, Ecuador as radio station HCJB. We were a small humble station with a big vision to reach the whole world for Jesus Christ. Throughout our history we have sought innovative ways to share the Gospel with the most people possible using tools like radio, television, satellite broadcasts, and the internet. We have also integrated healthcare and community development ministries that personally share about Jesus while meeting physical needs.

God has blessed Reach Beyond with many ways to engage with the unreached that we intentionally share with others. Since 1992 we've helped believers launch over 600 radio stations around the world. By working together with local partners, and by equipping and empowering believers to reach their own communities, many more people are hearing about Jesus and choosing to follow Him.
